- The account number and current statement period are located here.
- A marketing message or Credit Union update will appear here in text or a graphic image.
- The "Summary of Accounts" section shows totals all of your savings, checking and loan balances on the first page of each monthly statement.
- Bold, clear headings for the date, description, amount and balance after each transaction.
- A large transaction area allows us to provide you with more detail about each transaction on your account.
